

Dear Ambassador,

Thank you for being **MORE THAN PINK** by joining us in the fight to end breast cancer! Your participation ensures that your community gets accurate, lifesaving information. Thanks to advances in breast cancer research, much has changed over the years and materials are updated regularly. Even if the name on the materials is the same, the information may be new.

WORSHIP IN PINK TOOLKIT: Once again, we are pleased to provide registered organizations with up to 100 educational fans at no charge. Additional materials, such as breast health education sheets and bulletin inserts, may be downloaded free of charge from our website.

THE AMBASSADOR PACKET may also be downloaded from our website:

The key to survival is early detection! Do you know someone who needs a mammogram but can't afford one? Give us a call. We support programs that provide free screening for those in need.

GET SOCIAL WITH US! We'd love to see photos of your event. Please email us your Worship in Pink pictures. We'll feature them on our website, FaceBook and other social media! By submitting the photos, you are granting us the rights to use them in our Worship in Pink platforms (print, online, etc.).

SEE YOU IN SEPTEMBER! The Lowcountry More Than Pink Walk will be held on Sept. 21. The Mountains to Midlands Race for the Cure will be held on Sept. 28. Check our website for details.

Wishing you all blessings and empowerment,
